I HAVE NO IDEA OF WHAT MAKES ME DO THIS.
Hey, Izumi!!
Where are you going?!
ALL I KNOW IS THAT I HATE SEEING...
THAT WRINKLE BETWEEN THE EYES OF THAT GIRL I BARELY KNOW.

Why are you crying...?

Why are you sad...?

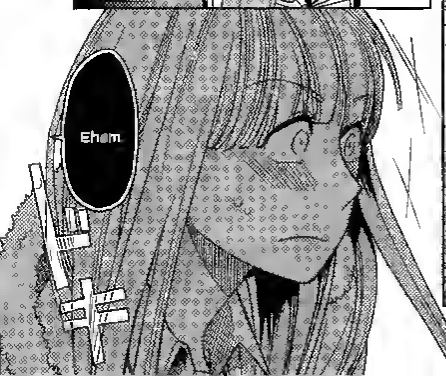
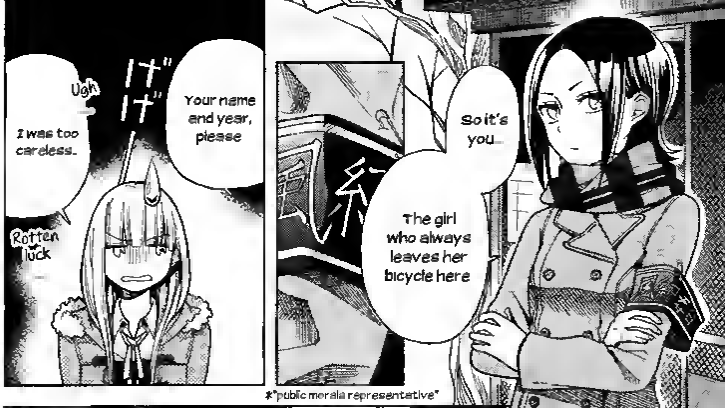
COMING TO SEIRAN'S JUNIOR HIGH AND HIGH SCHOOL SECTIONS ON BICYCLE IS FORBIDDEN.
SINCE AN ACCIDENT INVOLVING THE UNIFORM'S LONG SKIRT TEN YEARS AGO...

The bicycle sure is handy
Hop
And yet...

Use it once, and you don't want to become a pedestrian again.

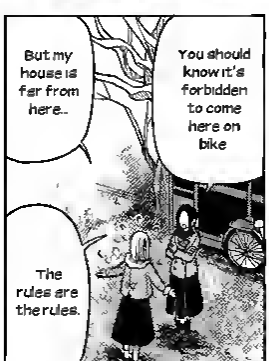


Ehem.



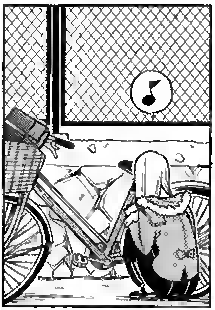
*"public morals representative"

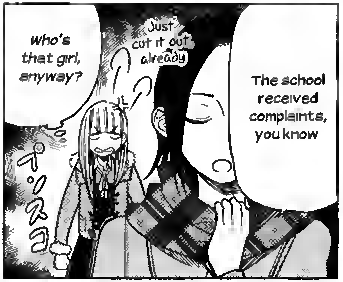
04



She won't notice a thing if I leave it here.
2ND DAY

You're kidding me...
It seems you have trouble hearing what people say.





Who's that girl, anyway?
Just cut it out already
The school received complaints, you know

HOW ABOUT YOU LEAVE ME ALONE?

3RD DAY
What is she thinking..?
BUT IT SEEMS SHE DIDN'T REPORT ME TO THE SCHOOL
REPORT CARD
Arriving late, sleeping in class, low grades ..
It's not easy to have a stupid little sister.
No good, I'm late.
And as your big sister, I'm summoned too.
I have exams to prepare I have no time for you antics.
Got it?

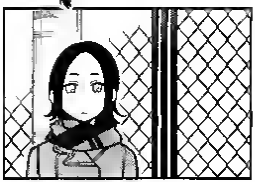
To sum it up, I'm the kind who easily draws the attention of class reps and the likes!
And it's tiring to have a brilliant big sister too
ぼーー～～..
What kind of insult is that?!!
Huh ?!
Are you listening?! Inhabitant of planet stupid!
I'VE BEEN AN IDIOT LIKE THIS FOR THE LAST 15 YEARS ...
THIS IS THE MOST SERIOUS I CAN BE.
YOU SHOULD JUST GIVE UP.
4TH DAY
Maybe because classes were about to start?
Or maybe she just got tired of it?
Oh, by the way, that girl didn't come here, today, huh

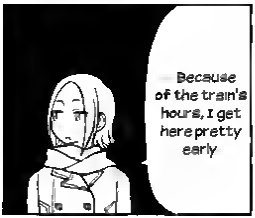
And the pot called the kettle black.
You never get tired of it, do you!!

You were late, yesterday, am I right?

You just have nothing better to do, do you?!
ビシ
You're wearing a public morals armband, but I never saw any other representative around here!!

Don't just use me to kill time!!
So I might as well put this freetime to good use.
There were complaints after all





Because of the train's hours, I get here pretty early

But things happened with my roommate.
So I come from my house, now
Why don't you move to the dorms then?!
?
O"O
It's already the case.
Hmmm ?
You had an argument?
.....
?
That's how an all-girl school is?
THERE ARE SOME PRETTY HORRIBLE PEOPLE.
KICKED OUT OF THEIR ROOM, HUH.

Maybe that's why
She constantly looks tired of life
AFTER THAT FOR A WHILE...
Agh she's here again!
I CAME ON MY BIKE EVERY DAY
Aren't you cold, Miss Frozen Bros?
Who are you calling that?
AND EVERY DAY SHE WAS HERE TO SCOLD ME.
Isn't your house a bit far?!
That's why I was in the dorms

*she calls her "Deko-senpai" in Japanese

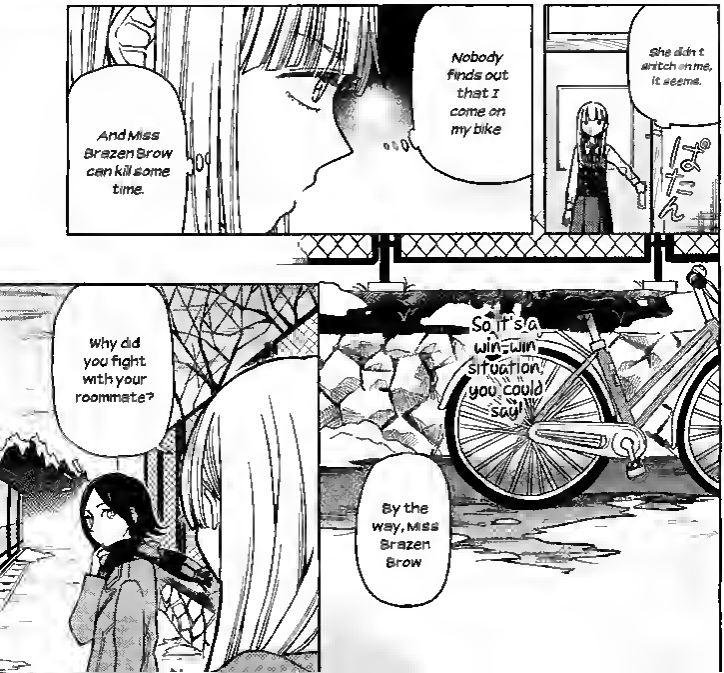
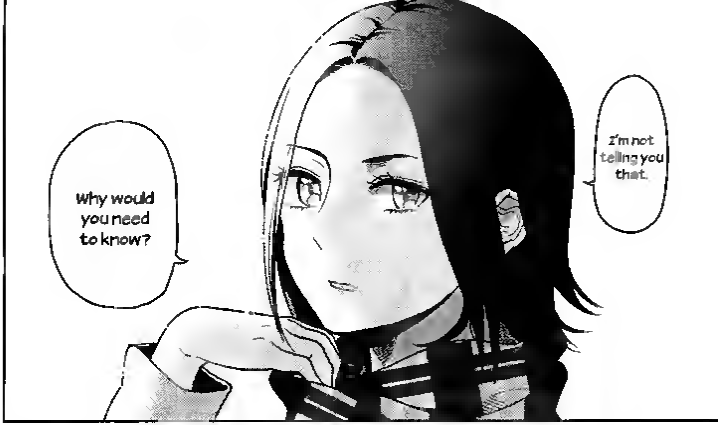
*staff room
You're no longer late, recently, that's good
Well, you can say I have more time to be early
Yeah, that
I see
Well, keep going.



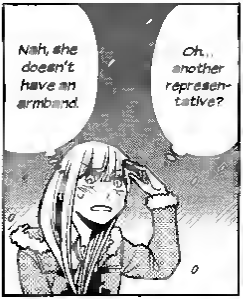
She didn't snitch on me, it seems.
Nobody finds out that I come on my bike
And Miss Brazen Brow can kill some time.
So, it's a win-win situation, you could say!
By the way, Miss Brazen Brow
Why did you fight with your roommate?



Why would you need to know?
I'm not telling you that.

If you say so.
I was just asking! That's all!
It's not like I want to know or anything!
Fine, I get it...

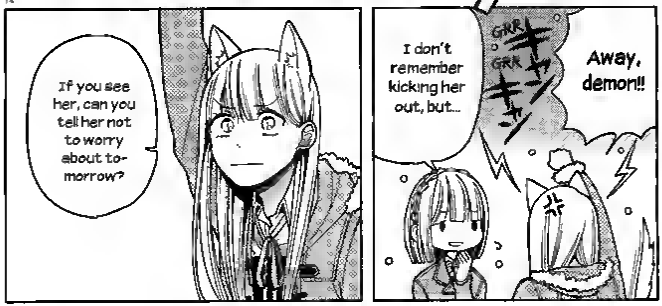
Well
She does have a a point, but...



Nah, she doesn't have an armband.
Oh... another represen-tative?

A girl with bangs like this. you can see her forehead
Oh.
She isn't here today?
Are you the one who often meets with Chiharu here?
Chiharu ?
キ
ッ
ク
I see her every day, but..
I see..
Not today, apparently
.. Say ..
Could you be her roommate..?
I wonder if she's doing fine?
Oh
Err, more or less..
Did Chiharu tell you?

What do you want with her?!
You were the one who kicked her out of your room, right?!



If you see her, can you tell her not to worry about tomorrow?
I don't remember kicking her out, but...
GRR
GRR
Away, demon!!

Alas
I feel like she's avoiding me, lately
Tell her yourself
Peuh
I'm just a pastime.
So no one wants to tell me anything.
...I don't get it.

You've become awfully easygoing about all this.
How are you doin'!
You're here today!

Ah!

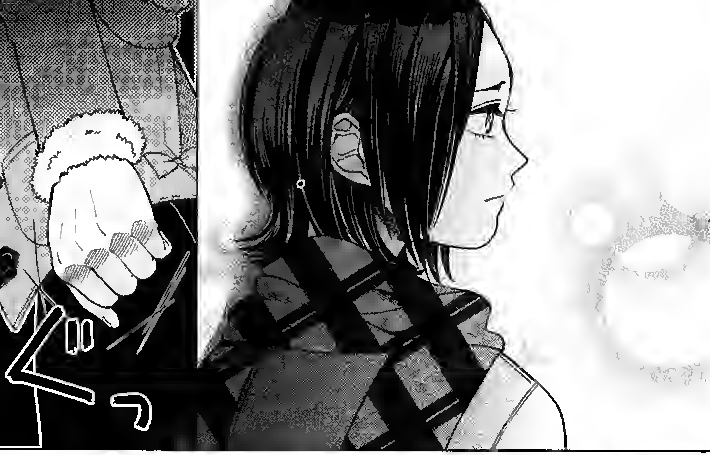
- And?

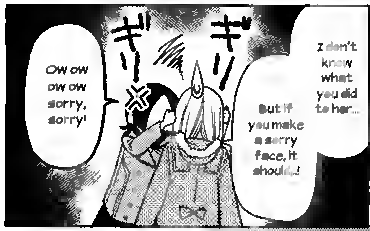
I met your roommate here, yesterday.

Oh yeah.
ガシャン.

I hope she'll be fine
I see... It's today, huh

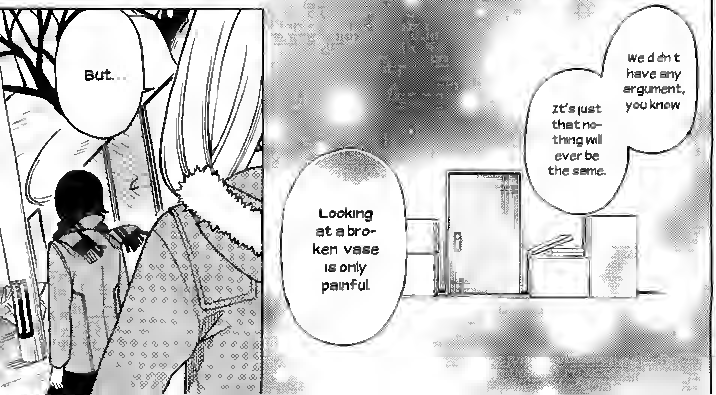
Yep
Is that all?
She wanted me to tell you not to worry about tomorow. Well, today





Ow ow ow ow sorry, sorry!
But if you make a sorry face, it should...!
I don't know what you did to her...

I'm sure she'll forgive you if you apologize.
She was worried about you, you know?



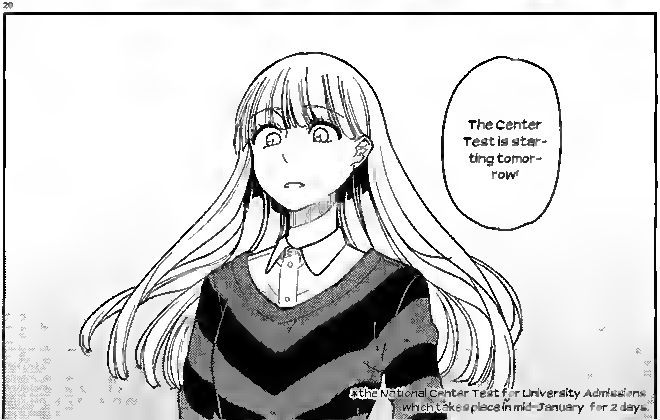
But...
Looking at a broken vase is only painful.
It's just that nothing will ever be the same.
We didn't have any argument, you know

That's none of your business, is it?
Maybe I could do something?!
But at least tell me a little more...
...Why are you so fixated on this?
Well.
You're just curious?
You're a bother
Pck?

Don't look so depressed..
Am I wrong?
But I want to do something to help her.
Then...
She's right, it's none of my business...
My presence here is convenient for Miss Brazen Brow, that's all.

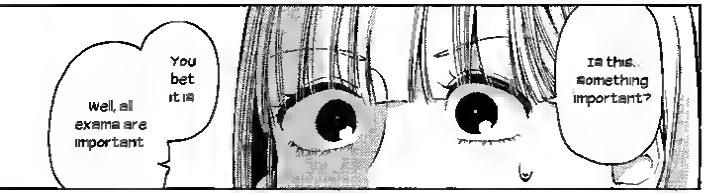
What should I exert myself for them?
Neither of them wants to give me any details.
Pff, for what I care!

Are you stupid?
What's all this luggage? You'll bring me a souvenir?
Where are you going, Sis?
You never listen to what people say do you.
?



The Center Test is starting tomorrow!
*the National Center Test for University Admissions which takes place in mid-January for 2 days.

The Center Test..?
Since the exam center is far away, we're gonna spend the night there.
The bus departs from the school
And I have to go



Is this something important?
You bet it is
Well, all exams are important

I hope she'll be fine
Tell her not to worry about tomorrow

Wait, Izumi?!
Where are you going?
Wah
Dad and Mom said they didn't need to come to see me off.
Hey, Chiharu ...
Are you sure you don't want to see her off?
Yeah.
I already sent her an e-mail.
... I see...
Give her my greetings.
Okay.

What are you...
Get on.

...Go on your own, then
I have no reason to go there
Like I care what you think.
...And where do you plan to take me?
To the school, where else?

I'm going because I want to
Sure, I may be
A stranger just there to help you kill time, and live on planet stupid
But even I can see how much you two love each other!!!

If you have an excuse for not coming, then I'll gladly listen.
Don't get me involved in all this!!
I couldn't accept this
If you want to tell her something, then do it!!

The day has finally come. Aren't you a bit tense?
Do your best, Senpai!
I'm just leaving for 3 days, Ai.
Don't you'll and go to bed early okay?
No, I could relax thanks to Ai.

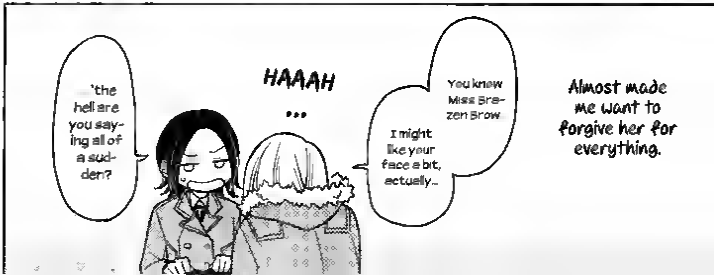
Senpai
Bon voyage
And good luck!

I'm off
How much do you think I pedalled!
Of course I did!!
Okay
Go- Go on without me, comrade.
Well you gave up mid-way
HAH
Erf...
I'm dead..
HAH
I can't move anymo-re..
- Why-
Did you want to help a stranger like me so much?
?
Why..?
I wonder

SERIOUSLY! HAVE TODAY'S YOUNGSTERS FORGOTTEN ALL ABOUT GRATITUDE? SURE, I DID ALL THIS FOR MYSELF AND I DIDN'T EXPECT HER TO THANK ME BUT THERE'S A LIMIT TO HOW HEARTLESS YOU CAN BE, COME ON!...
ずん...
But, well...
what ?!
You're too nosy
You have my thanks, Izumi

That expression, that I was seeing for the first time on her...



Almost made me want to forgive her for everything.
You know Miss Brazen Brow
I might like your face a bit, actually...
HAAAH
